2004-2005 AISD Parent Survey Item Responses

Each survey item is presented below, followed by a bar graph containing results for your campus and for all campuses at your level.

Please examine the results below to determine areas of strength and opportunities for improvement. Large percentages of "Strongly Agree" and "Agree" indicate areas in which your campus staff excel, and large percentages of "Disagree" and "Strongly Disagree" indicate areas for possible improvement.

In addition, please compare the percentage of parents from your campus selecting each response option with the percentage of all AISD parents selecting each response option. If your campus percentages are very different from the percentages reported districtwide, please consider potential reasons for discrepancies.

Please also review the results below for staff categories with consistently positive or negative responses. These responses may be used to identify opportunities for praise and areas for professional development.
